

STAFF MEMBER WITH VENDOR PROFILE

SET UP STAFF MEMBER WITH VENDOR PROFILE

Your staff members can have dual role in ScheduleInterpreter, as staff and as vendors. To add a vendor profile to one of your staff members, go to TOOLS AND SETTINGS, CONTROL CENTER, ACCOUNT SETTINGS, STAFF MEMBERS, locate the staff member needed, then click **EDIT**.

The screenshot shows the ScheduleInterpreter interface. The top navigation bar includes SCHEDULE, ACCOUNTING, TOOLS AND SETTINGS (selected), ANALYTICS, TRAINING, and LOG OUT. Below this is a sub-navigation bar with icons for My settings, Compliance center, Control center, Communication center, New account, and New interpreter. The main content area is titled 'CONTROL CENTER' and has tabs for FORMS, VDO, TAGS, EXPENSES, ACCOUNTING AND FINANCE, and ACCOUNT SETTINGS (selected). Under ACCOUNT SETTINGS, there are sub-tabs: BRANCH OFFICES, GLOBAL LOCATIONS, STAFF MEMBERS (selected), INTERPRETING, and TIME MANAGEMENT. A 'QUICK SEARCH' box is present. The 'STAFF MEMBERS' section shows a list of staff members with an 'EDIT' button next to each. The list includes: Developer, App (Mr.) :: 1736, Developer, Azure :: 1832, Doe, John (Mr.) :: 253 (highlighted), and Durham, Ginger (Ms.) :: 161.

Scroll down, check VENDOR PROFILE box, then click **SAVE CHANGES**.

The screenshot shows the 'VENDOR PROFILE' settings form. It includes a 'BETA' label and a 'SERVICES TO MANAGE' section with checkboxes for OSI, OPI, VRI, and VIS. The 'VENDOR PROFILE' section has a checkbox that is checked. Below this is a 'VENDOR PROFILE' box with text: 'When checked, staff member will have a profile as a vendor. Designation to 1099-MISC or W-2 form of employment can be set in VENDOR CENTER.' Other settings include 'ALLOW EDI', 'ACTIVE', 'BLOCKED', 'DELETED', and 'RECEIVE E-MAILS'. A 'SHOW ADVANCED SETTINGS' button is visible. At the bottom, there is a 'PASSWORD' field, a 'SET PASSWORD' button, a 'SAVE CHANGES' button, a 'CANCEL' button, and a 'FINISH' button.

To complete the vendor profile, go to TOOLS AND SETTINGS, ACCOUNTS AND USERS, VENDOR CENTER, type the name of the staff member/vendor, and select them from the drop down list.

BEST INTERPRETERS INC.

QBO SYNC

Once you select the vendor, you can set up their profile, including skills, rates, exclusions, notes, tags, and several other settings.

RESET PASSWORD FOR VENDORS

In order for your staff members with vendors profiles to log in and use On The Spot!, you will need to reset their password under their vendor profile. To do so, go to **PROFILE : TAX ID : PASSWORD** tab, then **PROFILE**, and scroll down to **SHOW PASSWORD RESET OPTIONS**.

CHANGE PASSWORD

NEW PASSWORD

Create vendor's new password. Password should be between 8 and 30 characters. Make your password hard to guess to ensure your account is well protected. Best practice calls for mixture of numbers and letters. Passwords are case sensitive.

Password can contain letters, numbers, dash "-", underscore "_" and dot "." symbols.

Example of a good password **gvMEaBr3ak**
